TO ALL SAVVA AFFILIATED CLUB

RE: INDEMNITY FORM FOR POST 1997 VEHICLES

As per our SAVVA cut-off date for vehicles manufactured up to 31<sup>st</sup> December 1997 the National Council has prepared an Indemnity Form to assist clubs for any member who attends an outing or club meeting using a vehicle outside of the constitution.

The onus is on the club / organiser to ensure that this document, which is designed to indemnify the organisers and club from possible claim, is completed by any member driving / riding a post 1997 vehicle.

SAVVA will not be required to keep a record of these Indemnities and therefore it is recommended that the individual clubs keep the original forms.

Please note that this Indemnity does not allow any vehicle after 1997 to participate in a SAVVA sanctioned event.
