

FROM THE DESK OF SAVVA - 11

COVID 19 AND SAVVA MOTORSPORT EVENTS

Since our last communication to clubs on Monday 16 March 2020 , SAVVA National Council has been closely monitoring the developments with regard to the coronavirus pandemic in South Africa and worldwide.

Based on the information available, it is clear that this situation is not one that is going to be resolved in the short term and therefore the suspension of SAVVA-sanctioned motorsport events already in place, is hereby extended to the end of April. The status with regard to the pandemic will be reviewed again after the Easter weekend, when the schools are currently scheduled to return.

On behalf of SAVVA National Council we would like to extend our deepest empathy to members that have been directly affected by the COVID 19 virus. We pray for a speedy recovery for members and their loved ones.
