

FROM THE DESK OF SAVVA - 20

To All Club Committee's, SAVVA Delegates & Club Members

COVID-19 REMINDER

National Council would like all SAVVA clubs to kindly take note that the current COVID-19 pandemic is still a reality and that they should organise events accordingly. Clubs are permitted to organise events but should adhere to all present COVID-19 regulations. Please take note of the ban on spectator attendance at any motorsport event.

National Council would like to encourage all clubs to organise events with great care.

I had the privilege to attend the yearly Kalkbay veteran run, on Sunday 4 April 2021 in my 1915 Model T Ford. The event was organised by the Crankhandle Club in Cape Town. I would like to congratulate the organisers for their foresight and planning skills. They really went all the way to comply to all present COVID-19 regulations.

On Monday 5th April Harvey Metcalf and Hilton Franz, also from the Crankhandle Club, organised a second event for Veteran and Vintage cars and bikes. Eighteen entrants participated; 2 veteran motorcycles, a 1928 Chev truck and the rest were cars. We started in Villiersdorp and slept at the Slanghoek Mountain Resort close to Rawsonville. For the following three days we all had great fun, but again we all kept to the prescribed COVID-19 regulations.

Yes, the old car movement is almost back to normal ... BUT please stick to all the prescribed COVID-19 regulations.

Play it safe – we need you in the old car movement!

Philip Kuschke
